Dear Mr. Callison:

I am attaching two copies of the recorded easement grant for Declaratory Resolution No. 1188-1966 which provided for the vacation of Piedmont Avenue from the south property line of Kinsmoor Avenue to the north property line of Nuttman Avenue.

It was originally intended to retain the entire 50 foot right of way for easement purposes. Property owners complained about this, however, so Jack Barth had the existing gas main located. He advised it was one (1) foot east of the centerline at Kinsmoor and eight (8) feet east of the centerline at Nuttman. A fourteen (14) foot easement was therefore retained as indicated on the attached drawing.

The extra copy is attached with the thought you may want to forward it to Hammond for their records.

Yours very truly,

Mr. Hugh Underwood  
1602 Hillside Avenue  
Fort Wayne, Indiana

Dear Mr. Underwood,

This has reference to the proposed vacation of Piedmont Avenue from Kinsmoor Avenue to Nuttman Avenue.

The Northern Indiana Public Service Company has advised that they will require an easement the entire width of said street to maintain an existing gas main. It will therefore be necessary to have the attached easement grant signed before final action can be taken.

All signatures must be secured and the grant properly notarized before it is acceptable. A sample of the usual acknowledgment is also attached but, since these ownerships are somewhat involved, we suggest an attorney handle this matter.

If possible, please return the signed grant to this office prior to the public hearing April 14, 1966. If you need further information, please contact me at 743-0178, Extension 267.

Very truly yours,
